

Training As Action Series
2024-2025

Introduction to HRE USA and Human Rights Education

Saturday, September 21 at 11 am ET

SUMMARY

This module is an optional, introductory session to the training series. It will provide an overview of HRE USA and opportunities for participation in the organization, as well as an introduction to human rights education more broadly.

OBJECTIVES

- Understand the organization of and action opportunities within HRE USA
- Examine different understandings of human rights and human rights education
- Build connections among participants and between participants and HRE USA staff
- Promote participation in the rest of TAAS 2024-2025
